Diann,

Here are the draft bids from FFS and MPS; Mel and Cathy will be reporting out on the site assessment GPRA target.

Groundwater Migration Under Control:

Alternate: 1 (McGuire AFB)

Human Exposure Under Control:

Target: 1 (Standard Chlorine)

Alternate: 1 (Rolling Knolls – I know this is a target for this year, but there is additional sampling required, and there may need to be an addendum to the HHRA)

Construction Complete:

Alternate: 1 (Griffiss AFB)

Site Wide Ready for Reuse:

None

Please let me know if you have any questions. Thanks.
